HACIENDA STYLE

Haciendas are at home with rich color inside and out. Elegant rooms are alive with colorfully-painted walls, often with wainscots in contrasting hues, accented with old-world stencil patterns.

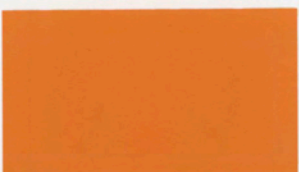

Rich colors also adorn hacienda architectural elements, including grand-scale doors, ceiling beams and sculptural stove hoods.

Elegant arches, carved-stone columns, colorful painted & tiled design, beamed ceilings, decorative wrought-iron, nail-studded doors, antique furniture and artifacts - create the essence of the hacienda's time-honored character.

With a vast
**ARCHITECTURAL
LEGACY** spanning four centuries, Mexican haciendas express a rugged, romantic beauty whose rich traditional colors, arched silhouettes and natural textures are an inspiration to create a soulful hacienda home.
